Assemblies and General Meetings

The General Assembly, as per Article 37 of the Articles of Association, is the ultimate expression of the Association's determination, and comprises 200 representatives, chosen and elected expressly by free and direct voting of the members with the right to vote.

The General Meeting, as per Article 44 of the Articles of Association, is the body that defines the professional determination of the architects registered in their respective regional area, within applicable law.

Below you will find the minutes of the different General Assemblies and Meetings held last year.
