International Tuesdays: Professional practice in France

Imatge:
© Col·legi d'Arquitectes de Catalunya (COAC)

On December the 2nd the next International Tuesdays session will be held at COAC headquarters. This session will be dedicated to the professional practice in France and will focus mainly on Marina Daviu's experiece as COAC correspondent, who will be speaking from Paris through Skype.

The aim of the COAC Correspondents Network [2] is to increase opportunities to work abroad in the most qualified possible way, while maintaining ties with Catalonia and the architects working here.
