The Architects' Association of Catalonia (COAC), through the *Taula de Mostres*, is organising the second **International Exhibition of Catalan Architecture** in order to record, showcase and disseminate the work undertaken by Catalan architects working outside Spain.

Registration closes on 15th October 2016. Registration is open to members of the COAC or other architects as specified in the rules.

The exhibition is also hosting the **Banc Sabadell Foundation Award for Innovation** which aims to recognise the endeavours made by architects who use their talent to achieve excellence beyond our borders.

Submissions for the exhibition and the awards are welcome from projects completed between 1 January 2014 and 31 December 2015
