The exhibition of the **XII BIENNIAL ALEJANDRO DE LA SOTA - MOSTRA D'ARQUITECTURA DE TARRAGONA** [4] shows the projects presented in this contest which aims to distinguish the most significant works that have been built in the biennium 2019-2020 in the territorial scope of the Demarcation (counties of Alt Camp, Baix Camp, Baix Penedès, Conca de Barberà, Priorat and Tarragonès).

It can be seen from **June 1 to September 18, 2022, at the Molí de les Tres Eres in Cambrils (Carrer Via Augusta, 1, Cambrils).**

This year, of the 55 works entered in this Exhibition, the jury has decided to select 23, of which 13 have passed to the next phase as finalists. Finally, the jury decided to award 6 works as winners and 1 of them received the sixth Alejandro de la Sota Prize at the same time.

This exhibition, conceived as an open system with the capacity to adopt different geometries and adapt to different spaces, shows six audiovisuals that correspond to each of the categories of the Biennial.

**Inauguration on June 1, 2022 at 8 pm**, with the presentation of Víctor Pujol Hugàs, member of the board of the Tarragona Demarcation of the College of Architects of Catalonia and Mr. Oliver Klein Bosquet, the mayor-president of the Cambrils History Museum.
