p.m. to 7 p.m.

Tornar [2]

The exhibition of **XII BIENNAL ALEJANDRO DE LA SOTA - MUESTRA DE ARQUITECTURA DE TARRAGONA** [3] shows the projects presented in this contest which aims to distinguish the most significant works that have been built in the 2019-2020 biennium in the territorial scope of the Demarcation (Alt Camp, Baix Camp, Baix Penedès, Conca de Barberà, Priorat and Tarragonès).

It can be seen from **October 14 to November 13, 2022, in the Sant Roc Courtyard of the Institut d'Estudis Vallencs (IEV)** (Calle Jaume Huguet, 1, Valls).

This year, of the 55 works registered in this Show, the jury has decided to select 23, of which 13 have gone on to the next phase as finalist works. Finally, the jury has decided to award 6 works as winners and 1 of them has also received the sixth Alejandro de la Sota Award.

This exhibition, conceived as an open system with the capacity to adopt various geometries and adapt to different spaces, shows six audiovisuals that respond to each of the Biennale's categories.

Inauguration on October 18, 2022, at 7:30 p.m., with the presentation of Víctor Pujol Hugàs, member of the board of the Tarragona Demarcation of the College of Architects of Catalonia and NUA arquitectures, authors of the work Café Roquet, awarded ex aequo in the category of interior design: intervention works in interior spaces, design and ephemeral assemblies.
