The exhibition of **XII BIENNIAL ALEJANDRO DE LA SOTA - ARCHITECTURE EXHIBITION OF TARRAGONA** [3] shows the projects presented in this contest which aims to distinguish the most significant works that have been built in the 2019-2020 biennium in the territorial scope of the Demarcation (Alt Camp, Baix Camp, Baix Penedès, Conca de Barberà, Priorat and Tarragonès).

It can be seen from **January 24 to February 24, 2023, at the School of Art and Design in Reus.**

**Conference of this traveling exhibition on February 9, 2023 at 7 p.m.**, with the intervention of Víctor Pujol Hugàs, member of the board of the Tarragona Region of the Association of Architects of Catalonia, and Núria Salvadó, architect of 'Ca La Closa, una casa amb dos refugis' in La Morera del Montsant, an award-winning work in the category of new-floor buildings for private use.

This year, of the 55 works entered in this Exhibition, the jury has decided to select 23, of which 13 have gone on to the next phase as finalist works. Finally, the jury has decided to award 6 works as winners and 1 of them has simultaneously received the sixth Alejandro de la Sota Award.

This exhibition, conceived as an open system with the capacity to adopt various geometries and adapt to different spaces, shows six audiovisuals that respond to each of the categories of the Biennale.
