

# FAQs

**1 - In the first phase I, "C. INDICATIVE BUDGET An indicative estimate of the budget that includes the productions, exhibitions, congress events and others proposed by the team", the question is if a value is not presented, would it be cause for rejection? That is, the items to be included or budgeted are mentioned, however, no value would be mentioned in this first phase, if so, would the proposal be rejected regardless of whether it meets the other two items of selection criteria?**<sup>f078</sup>

**2 - If it is mandatory to participate to fulfil the estimate of the budget, how many people are expected to attend? Since the areas or spaces object of application depend on this.**<sup>f078</sup>

**3 - Would publicly owned or operated convention centers have any costs? that is, would they be included in the budget for their use?**<sup>f078</sup>

**4 - If the team applies and any of them want to retire, can they do so? except the project manager**<sup>f078</sup>

**5 - In relation to language, which language is preferable to present the panels?**<sup>f078</sup>

**6 - In relation to the registration form of the first phase, we see that they ask for a responsible declaration of being up to date with the tax and Social Security obligations of all team members. We have a team with an international profile, with several people who do not live or have never lived in Spain, do they also have to file**

the declaration? Do you have a model declaration in English that could be useful in this case?<sup>f078</sup>
