**The exhibition of XIII Biennale Alejandro de la Sota ? Architecture Exhibition of Tarragona** <sup>[3]</sup>, it can be seen **from December 12, 2023 to January 19, 2024** in the Exhibition Hall of the Tarragona District of the College of Architects of Catalonia. (Carrer Sant Llorenç, 20-22, Tarragona).

From February 2024, the exhibition will begin traveling through different cities in the Tarragona Region.

This is a sample of the projects presented in this contest which aims to distinguish the most significant works that have been built in the 2021-2022 biennium in the territorial scope of the Demarcation (Alt Camp counties, the Baix Camp, Baix Penedès, Conca de Barberà, Priorat and Tarragonès).

This year, of the 46 works entered in this Exhibition, the jury has decided to select 15, of which 9 have gone on to the next phase as finalist works. Finally, the jury has decided to award 6 works as winners and 1 of them has simultaneously received the seventh Alejandro de la Sota Award.

This exhibition, conceived as an open system with the capacity to adopt various geometries and adapt to different spaces, shows six audiovisuals that respond to each of the categories of the Biennale.
