St George's Day at COAC

On April 23, like every year, the COAC will be celebrating St George's Day with a special programme of activities.

At the headquarters in Barcelona, bookstalls shall be installed from early morning by **Cooperativa Jordi Capell** and **AJAC Association**, with special offers and discounts. As is tradition, the Cooperativa has invited all the architects who have recently published a book to sign copies between 12 and 2 pm.

Throughout the day, visitors will have the opportunity to see the exhibition '**Collections COAC.04 / Library**', a selection of books from our Library which trace the history of architecture from the 1511 Vitruvius up to 21st century publications. Registration is required for guided tours at 11:30 am, 12:30 pm and 4 pm.

On the other hand, the restaurant **Matís Bar**, located on the basement of our headquarters, will be offering a special menu for St George's Day.
