**8M: Margarita  
Brender, one of**

## the pioneering architects of 1960s Spain

The Architects' Association of Catalonia commemorates **International Women's Day** with a tribute to the first female architect to become a member\*: **Margarita Brender Rubira** (1919-2000). The most significant thing about her career is the very little we know about it. Everything we know about her can be summed up in five facts.

**One:** She was born in Romania in 1919.
